Phone No: +91 8688775063

A passionate and self-motivated web developer with strong foundational skills in HTML, CSS, JavaScript, and SQL. Eager to contribute to innovative web projects, learn from real-world challenges, and grow into a full-stack development role while creating user-friendly and responsive applications.

Education:

Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya

- Bachelor of Engineering in CSE with CGPA: 9.06 from 2019 – 2023

Narayana Junior College

- Intermediate MPC with CGPA: 9.50 from 2017 – 2019

St. Antony's High School

- Secondary School (Class 10th) with CGPA: 9.0 from 2016 – 2017

Skills:

Programming Languages: HTML, CSS, SQL, C, JavaScript, Java

Courses:

- Course on SQL
- Course on HTML and CSS

Projects:

Clone Website:

I created a static clone of the Ajio Homepage as a personal project to strengthen my front-end development skills. Using HTML and CSS, I focused on accurately replicating the layout, typography, and overall design of the original site. The project helped me gain hands-on experience.

Declaration:

I hereby declare that all the above details are the best of my knowledge.
